Miriam Home Happenings:

The Miriam Home residents enjoyed their fall break by seeing the movie “Dolphin Tale” and eating at McDonalds. They also took a trip to Mansfield, Indiana to the Covered Bridge Festival.

The residents participated in a community Thanksgiving program and did a wonderful job with their prayers about thanking God for good Christian families.

The Thanksgiving dinner was a success. They enjoyed good food and great fellowship. Resident families attended as well as staff and board members and their families. We are thankful that the Miriam Home has such a big table!

TPEC News!

FIELD TRIP: Turning Point Education Center students had the opportunity to visit the Abraham Lincoln Presidential Library and Museum in Springfield, Ill on Friday, November 18th. Students learned about the life and times of our 16th President through exhibits and getting to meet him personally, as he was visiting the White House on that day. A special music presentation was being performed in the lobby of the museum by Mr. Mike Anderson on his Mountain Dulcimer. We truly enjoyed and appreciated the trip!

TPEC - LEARNING IS YUMMY!

Oct. 2011: Students utilize the kitchen of the Miriam Home to learn a chemistry concept.

Mrs. Byers, TPEC teacher, explains how the use of sucrose and heat transforms the sugar into a crystalline or non-crystalline (amorphous) substance.....and all they did was make "monster suckers" to eat and enjoy.

Fall Festival A Success!

On October 14th OACM hosted a hayride and wienie roast. We had around 80 people join us for a bonfire, lots of yummy food, corn hole and a worship time.
